Search Panel

The screenshot shows the Zotero Library application interface. The menu bar includes File, Edit, References, Groups, Tools, Window, and Help. The toolbar contains various icons for file operations and search. The left sidebar shows 'My Library' with options like 'All References (3)', 'Configure Sync...', 'Recently Added (0)', 'Unfiled (3)', 'Trash (2)', and a 'New Group' section with options like 'New Group (0)', 'New Group Set', 'My Groups', 'New Group Set', and 'Find Full Text'. The main search panel has a search box, 'Options', and 'Search Whole Library' dropdown. Below the search panel is a table of search results:

Un-formatting and Re-formatting

A heart attack occurs when the flow of blood to the heart is blocked. The blockage is most often a buildup of fat, cholesterol and other substances, which form a plaque in the arteries that feed the heart{Abolhasan, 2019 #121;Cramer, 2018 #11}

These options allow you to create multiple bibliographies in a single Microsoft Word document when using Cite While You Write (CWYW). According to the type of style you are working with, choose how citations should appear for each section and document.

Sections

- Create a complete bibliography at the end of the document
- Create a bibliography for each section
 - Continue numbering, or apply settings for disambiguation and repeated citations across sections
- Create a bibliography for each section and a complete bibliography at the end of the document
 - Numbering will continue, and settings for disambiguation and repeated citations will be applied across sections.

The 'My References' tab is currently selected.

In the left sidebar, under the 'My References' section, there is a 'Quick Search' box with a search input field and a dropdown menu set to 'All My References'. Below this, the 'My References' section lists 'All My References (10)', '[Unfiled] (9)', and 'Quick List (0)'. Under 'Trash (0)', there is a 'My Groups' section with a dropdown arrow. It lists 'Before 2000 (1)' with a person icon and 'Group 01 (0)'. A red arrow points to the person icon next to 'Before 2000 (1)'. At the bottom of the sidebar, there is a box for 'Build a profile to showcase your own work. ResearcherID'.

The main content area is titled 'Getting Started' and features three columns of information:

- Find:** Represented by a magnifying glass icon. The text says 'Collect references by searching online databases or importing your existing collection.' Below this is a list of actions: 'Search an online database', 'Create a reference manually', 'Import references', and 'NEW! Find your best potential journal'.
- Store:** Represented by a document icon with two people icons. The text says 'Organize and group references in any way that works for you. Share your groups with others.' Below this is a list of actions: 'Create a new group', 'Share a group', and 'Find duplicate references'.
